

# 001. We Have A Dream Dieter Bohlen

## Vers

We believe the dream comes true, everything we tried to do  
it wasn't easy all the time

We never felt like this before, but we love it more and more  
every day and every night

We had joy and we had pain, come and let us start again  
music is what we're living for

## Refr

We have a dream, music is our life  
we have a hope, music will survive  
We'll take the chance, we had it all  
we feel like heroes, we're standing tall

## Vers

We all have the greatest time, hearts were beating, we felt fine  
May I dream my dream with you

Oh I, I was sometimes so alone, couldn't make it on my own  
but my friends they're helping me

We cried tears and we have fun and we're singing our song  
music is what we're living for

## Refr

We have a dream, music is our life  
we have a hope, music will survive  
We'll take the chance, we had it all  
we feel like heroes, we're standing tall

Wir haben den Traum hier mit euch zu singen  
wir haben die Hoffnung, dass die Musik für immer bleibt

We'll take the chance, we had it all  
we feel like heroes, we're standing tall

## Tonartwechsel

Wir machen heut mich euch Musik  
wenn ein Lied erklingt, dann sind wir im Glück  
Für alle Zeit soll es so sein, dass die Musik uns alle vereint

Schluss ... Musik vereint
