

036. Hallelujah Leonard Cohen

Vers

I heard there was a secret chord
that David played and it pleased the Lord
and all I want's to play that music for You
It goes like this the fourth, the fifth, the minor fall, the major lift
and all I sing's a broken hallelujah

Refr

Hallelujah, Hallelujah, Hallelujah, Hallelu---jah

Vers

I know that there's a God above, that's all I've ever known of love
To see his son there broken, beaten for me
So while we're here let's sing this song, I want you all to sing along
Let's raise a cry, let's raise a Hallelujah

Refr

Hallelujah, Hallelujah, Hallelujah, Hallelu---jah

Tonartwechsel

Vers

In the still and quiet place I still can feel his warm embrace
Although I know the storms they rage around me
To live your dream is quite the cost
just don't look back and don't get lost
My offering's a broken Hallelujah

Refr

Hallelujah, Hallelujah, Hallelujah, Hallelujah
Hallelujah, Hallelujah, Hallelujah, Hallelujah
