Do do do do do do do do do do, do do do do do do do do
do do do do do do do do do do, do do do do do do do do

Vers

Tonight I wanna give it all to you
in the darkness, there's so much I wanna do
And tonight I wanna lay it at your feet
cause I was made for you and you were made for me

Refr

I was made for loving you baby, you were made for loving me
and I can't get enough of you baby, can you get enough of me

Vers

Tonight I wanna see it in your eyes,
feel the magic, there's something that drives me wild
And tonight we're gonna make it all come true
cause you were made for me and I was made for you

Refr

I was made for loving you baby, you were made for loving me
and I can't get enough of you baby, can you get enough of me

I was made for loving you baby, you were made for loving me
and I can't get enough of you baby, can you get enough of me

Instrumental

Refr

I was made for loving you baby, you were made for loving me
and I can't get enough of you baby, can you get enough of me

Oh, I was made and you were made
I can't get enough no I can't get enough

Refr

I was made for loving you baby, you were made for loving me
and I can't get enough of you baby, can you get enough of me
